

Statement of intent

M.F.L.

merci!

We believe that through MFL, our children will:

- Increase their confidence and creative skills through the exploration of another language
- Strengthen their speaking, listening, reading and writing skills
- Explore a variety of strategies to develop their Knowledge About Language and their Language Learning Skills
- Have a better understanding of English grammar as well as French grammar
- Develop their curiosity about language and foster positive attitudes towards the traditions and cultures of the people who speak a different language
- Learn to respect and value differences in others
- Deepen their understanding of their own heritage language
- Be empowered to celebrate their own identity
- Develop their knowledge about countries and languages across the globe
- Develop their language learning skills to become all-round global citizens
