

# Statement of intent Music

Here at Vicar's Green we believe that:

- Music plays an important role in increasing our children's emotional well-being and confidence.
- Music is used to unite the school and children come together weekly to sing as a Key Stage, exploring many different styles of music.
- We aim to provide a sense of enjoyment and a positive attitude that inspires pupils to develop a love of music. Children develop skills in singing, playing a range of instruments and composing.
- Every child from Year 3 upwards learns to play the recorder so that they can develop confidence with one instrument, learn to read notes from a stave and perform tunes and melodies.
- We have a thriving school choir and the children have opportunities to perform and collaborate with other Ealing schools in the local area.
- Children are also given many opportunities to perform solo or group pieces in school assemblies and shows in order to encourage and celebrate individual talent.
- Music is an integral part of our school life and we aim to provide children with the skills and appreciation which will allow them to access any form of music they wish to in the years ahead.
