

# Statement of intent

## P.S.H.E.

- At Vicar's Green, our school vision 'Believe, Achieve, Succeed' is embed into our Personal, Social, Health and Economic (PSHE) curriculum with the main aims of helping our children to become healthy, independent and responsible members of their local, national and global community. We follow Ealing's PSHE scheme of work which supports and enhances the PSHE provision on offer. Safeguarding, Fundamental British Values, and SMSC are incorporated throughout, promoting spiritual, moral, social, and cultural development.
- Our holistic approach, provides children with the range of experiences that enable them to develop the knowledge of their world and gives them the skills, attributes and confidence to navigate the moral, social and cultural issues that are part of growing up. They learn about how to stay safe, make healthy choices and informed decisions in order to manage their lives now and in the future.
- Our children learn about their rights and responsibilities and appreciate what it means to be a member of a diverse society. They are encouraged to develop a sense of self-worth by playing a positive role in contributing to the school life and the wider community. Children are supported in becoming well rounded individuals where talents are nurtured and positive self-image, identify and wellbeing are promoted.
- We aim to provide a safe and inspiring place to learn where they can meet challenge with a positive mind set, demonstrating resilience and the skills needed to succeed. By providing a broad and balance curriculum that supports the physical and mental development of pupils, we aim to ensure pupils also achieve their academic potential.
