

Message from the Headteacher

As we come to the end of the spring term, parents have the opportunity to meet their class teacher during two of our parents' evenings, which will be held on Tuesday 26th and 27th March. During this time, you will get to discuss the progress of your child from the start of the year, and you will get to see all of their workbooks. The booking system is still opened via parent mail, so please do make sure to book a time slot to meet your child's teacher.

Parents will also have the opportunity to visit our art gallery in the parents' evenings where there will be a host of artwork from the talented artists in Vicar's Green. There will be a range of art from the children's art lessons with Mr. Henry and the entries into the *Royal Academy of Arts Young Artists* competition.

As part of our school governing body, we have two parent governors on the board. Last week, I met the whole governing body to showcase the brilliant work that our children are doing on a daily basis. During this time, we had a discussion about after school clubs and classes that were available - from the viewpoint of our school's parents. From these helpful discussions, we are going to be trialing two paid clubs and classes in the summer term. More communication about these clubs will be in next week's newsletter, so please do look out for these.

Next week is the last week of the spring term, and school will be finishing at 2pm on Thursday 28th March - please ensure that you have arrangements for the early closure on this day. During the spring term holidays, please do check that your children have the correct uniform and PE kits, and that they all still fit correctly.

Warm Regards

Iman Basu Roy

Announcements

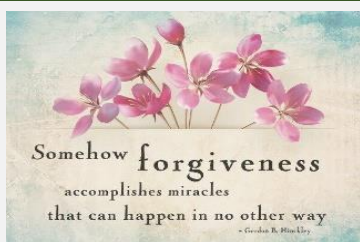

Gallery of the Arts

You are cordially invited to our art exhibition on
Tuesday 26th & Wednesday 27th March from 3:45pm onwards.

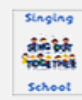

Some new art work was created for the Royal Academy of Arts Young artists competition by our pupils. We will find out later this year if we have a winner

World Oral Health Day

Oral diseases are a major health concern and negatively impact people's lives. Oral diseases lead to pain and discomfort, social isolation, and loss of self-confidence, and can be linked to other serious health issues. There is no reason to suffer: Most oral health conditions are preventable and treatable.

#BrushandBoogie

1. Grab your toothbrush and toothpaste
2. Turn on your favourite tune
3. Then brush and boogie like no-one is watching
4. Clean your teeth to the rhythm of the beat
5. Before you know it, your two minutes will be over
6. Create your own playlist to share with friends and family

Keeping children safe online

A Parent's Guide to Cyberbullying

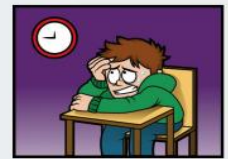

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
