

Message from the Headteacher

To develop pupils' ability to express their thoughts and ideas coherently, the school has embraced oracy as a priority this year. The purpose of this initiative is to encourage children to be effective communicators through oracy projects that feature skills such as storytelling, debating and presenting. Good oracy skills support wider literacy skills; improvement in oracy is also linked to improvements in reading, writing, and overall attainment. Children are practicing these skills during class discussions and are learning to instigate, build and challenge to move conversation forward.

We have organised a range of exciting curriculum events and workshops for pupils, but as you are aware, these can be quite expensive and it is not possible to cover the cost from the school budget. Please may I request you to make timely payments so we can continue to enrich the curriculum for our pupils.

Mornings can be a busy time and quite rushed. So that the children have a calm start to the day, it is often a good idea to organise the items they need to bring to school the night before. Forgetting their water bottle or lunch box, can often distract them during lessons, so please do a quick check before you set off.

Warm Regards

Iman Basu Roy

Anti – Bullying Week

Last week, all children at Vicar's Green celebrated 'Anti-Bullying Week'. We launched the week with 'Odd Socks Day' which was a great way to celebrate what makes us all unique.

The theme this year was 'Make a Noise About Bullying' and supports the idea that all children should know and understand that banter and bullying are different and how to spot bullying behaviours, as well as 'making a noise' about these behaviours by telling a trusted adult. In school this could be any member of staff.

All classes addressed the issue of bullying through various activities during the week.

Year 5 and 6 Tag Rugby Competition Report

On 9th of November 2023 years 5 and 6 went on a **Tag Rugby** competition. The students that participated were:

Zion, Nakeisha, Rin, Hannah, Kiash, Abyaan, ilhan, Denis and Malik

Although Vicar's Green didn't win, we tried our very best and had lots of fun. We won against two opposing schools 5-1 and 4-1. For a first time playing **Tag Rugby** for most of us, we did really well and impressed our supervising teachers;

Ms Deepak and Mr Knight

This trip was really fun and was a spectacular chance for some students to learn or get better at **Tag Rugby**. As they announced the winners of the competition, we were really nervous to see who had won. Although it was a spectacular occasion, we were devastated to find out that we hadn't won anything but overall we had an absolutely magnificent time playing **Tag Rugby** against the other teams at...
