NEWSLETTER Friday 10th November 2023

Message from the Headteacher

Over the next two weeks, all our Year 5 pupils, will be participating in a tree planting project. Ms Mahon, our Geography and Eco Lead has established a partnership with 'Trees for Cities' a UK based charity, which aims to plant urban trees and create greener cities. They work with local communities to revitalise forgotten spaces, create healthier environments and get people excited about growing. They will be working with our pupils and teaching them how to plant trees and look after these as they grow. We are also looking forward to the area behind the muga being refreshed into a space where children can observe natural habitats.

The School Councillors, along with Ms Lydon and Mr Resiah, went to Alperton Cemetery, where they placed a wreath on the War Memorial. They read aloud the poems they had composed, to remember our war heroes and held a 2 minute silence to mark Remembrance Day, which is on 11th November 2023. The Year 5 children made the wreath with the help of our art teacher Mr Henry.

We are all looking forward to seeing the various 'Odd Socks' the pupils will be wearing to mark the start of Anti Bullying Week on Monday.

Warm Regards

Iman Basu Roy

Announcements

Odd Socks Day

This year, we are launching **Anti-Bullying** Week with an 'Odd Socks Day' on Monday 13th November. Odd Socks Day is designed to be fun - it's an opportunity to encourage children to express themselves and celebrate their individuality and what makes us all unique!

Value of the Month: Patience

Awards for this Week

SUPPORTIVE **ACTION** FOR FAMILIES IN

When we are unwell it's important we go to the right place so that we can get help as quickly as possible. A&E can get really busy, so if it's not an emergency we need to know where else we should go.

The NHS takes care of lots of people, especially in the cold winter months when people are more likely to get poorly. Here are the different places people can go for help depending how serious it is:

Pharmacy

A pharmacy is a shop which can provide medicine and help you when you feel a little bit poorly, like when you have a cough or a cold. If they think you need more help they can help you see a doctor or nurse.

Your GP is a doctor who can treat lots of common illnesses, and you have to make an appointment to see them. Sometimes they need to examine you to work out what the problem is so they can help.

NHS 111

You should search 'NHS 111' online or call 111 if you need urgent medical help but don't know what to do. There are experts there to help you all day, every day.

A&E

You should go to A&E (also known as emergency department) or call 999 if you suddenly have something really wrong with you. This could be a broken bone, breathing difficulties or bleeding lots

There are lots of reasons Aggie might need help this winter. Can you match what's wrong with Aggie with where she should go:

the maze

Aggie noticed a rash yesterday and it's still feeling itchy. Can you complete the maze and get her to the pharmacy?

Competition

Using what you've learnt from

this worksheet, can you design a poster so people know when a poster so people know when they need to go to A&E - when something is really wrong and they need help right away?

Diary Dates

Date	Event	Year Groups
Monday 13 th November	Odd Socks Day	Whole School
Wednesday 15 th November	Individual & Sibling Photos	Whole School
Monday 13 th - Friday 17 th November	Anti-bullying Week	Whole School
