

Message from the Headteacher

We had quite an exciting Friday, here at Vicar's Green Primary School. Pupils had the opportunity to meet the published author and poet Coral Rumble, who spent the day conducting workshops and taking assemblies. Children participated along with her in the assembly and enjoyed her performances. Coral Rumble is a popular, award winning poet; in 2018 she won The Caterpillar Poetry Prize. I do hope that the pupils gained a lot from this experience.

Scholastic Book Fair will be visiting us next week and the books will be out on display in the KS2 playground at the end of the school day. Congratulations to all the prize winners, they will be able to spend their vouchers at the fair. I really enjoyed looking at the various entries, and was glad that I did not have to select the winners as there were so many entries that deserved to win.

Parents please be aware that black skirts are not a part of the school uniform. All skirts need to be grey. Please make sure that your child is in the correct uniform as this helps to instil in children good attitude to school.

Parents Consultations will take place the week before half term and you will be able to make appointments for these meetings from Sunday 8th October 2023, via Parent Mail.

Warm Regards

Iman Basu Roy

Scholastic Book Fair Competition Winners

Two of our **Reading Ambassadors** helped to select the winners of the Scholastic Book Fair Competition.

We are delighted to see all of the brilliant entries, and it is wonderful to see the time and effort that all the children had clearly made when designing and creating their posters.

Below are our proud winners of a **£5 Scholastic Voucher** which they will be able to use at the book fair next week.

National Poetry Day

We had a special visit today from poet Coral Rumble to help us celebrate National Poetry Day. She read a rich variety of poems to all the children and some of the children even got the chance to act out some of her poems.

Some of the children in KS2 also took part in a poetry workshop where they learnt how to use words to create rhyme and rhythm when writing poetry. They then wrote their own poems and developed their oracy skills through performing their poems.

Uniform Winners

Year 1 Barn owl & Year 4 Robin have won the prize for wearing correct school uniform since we have returned to school. They received an ice lolly as a treat this afternoon.

Year 5 News

This term, Year 5 had a visit from the MET police to discuss how to stay safe online. They spoke about some of the different apps they use, who to talk to when they feel worried and how to deal with negative situations online.

Malik: I enjoyed when the police officer explained to us that people can change their appearance online to look different and he used AI to show us. I also liked when he discussed that we shouldn't click any suspicious links.

Mia: I enjoyed when the officer told us that if somebody is being rude to you online, they can actually have a look at it to help you find out who this person is.
