

Message from the Headteacher

As this is the first newsletter of this academic year, I would like to begin by thanking you, on behalf of all staff, for your ongoing support and co-operation. I am confident that we will continue to work harmoniously, for the best interest of the children. The phase induction meetings will be held in a couple of weeks and the dates and times for these are now available in the diary dates below. This year the focus is on developing good reading habits and how to use knowledge organisers to enhance learning and will also go over routines and expectations. Curriculum Statements and Homework Letters have been emailed, if you have any queries from these please bring these to the meeting. I do hope to see you there.

If your child is in Y6, you will shortly need to complete their high school applications, and we have sent further information on this earlier this week. For your convenience, we have also included the dates for the open evenings in this newsletter. We do encourage you to attend these sessions, as they give you a flavour of the school and their ethos and helps you decide if this is a suitable environment for your child.

Finally, we are all delighted to have received a reply from the royal palace.

Warm Regards

Iman Basu Roy

Correspondence from Buckingham Palace

Over the summer holidays, we were delighted to receive a letter from Buckingham Palace to thank all of the children at Vicar's Green for creating cards to celebrate the Coronation of King Charles III. Each class designed and worked on their own Coronation Celebration Card and it was wonderful that their hard work was appreciated by the king himself!

BUCKINGHAM PALACE

To: The Pupils and Staff
Vicar's Green Primary School

The King has asked me to thank you for your colourful cards, sent in celebration of Their Majesties' Coronation.

The King was deeply touched that you should have taken the trouble to write, and would have me convey his warmest good wishes to all of the pupils and staff at Vicar's Green Primary School.

I am to thank you once again for your thoughtful messages at this time of celebration.

Yours sincerely,

Head of Royal Correspondence
